14th July 2026

Dear Parent(s)/Carer(s)

As you know the Secondary schools and the College in Harlow receive regular visits from the Safer Harlow Partnership, Harlow Police and their Knife Arch.

This terms visit took place today and all our visitors commented on how polite our students were and how they asked many interesting questions. We also learnt that metal water bottles trigger the arch!

We look forward to welcoming the team again in the future.

Kind regards

Lucia Goddard
Vice-Principal | DSL/ DT
