Dear Parents/Carers,

Re: Year 7 Mersea Residential – Deadline Extension

The deadline for the East Mersea residential trip has been extended to the end of this half-term, Friday 13th February. After this date there will be no option to add further students, owing to us needing to confirm numbers with the external provider.

There are currently 45 spaces still available which can be reserved with a non-refundable deposit of £50. The remaining balance of £240 (£290 in total) is required by 31st May 2026.

The trip promises to create unforgettable memories as students work alongside their peers and staff members to participate in exciting, challenging activities designed to help them build their confidence and teamworking amongst other vital life skills.

If your young person would like to attend the trip and you feel you may be eligible for financial assistance, please do not hesitate to contact us.

Once signups have been completed following this half-term, we will organise a parents' information assembly where the outline of the trip and our expectations will be laid out. It will be an opportunity for us to answer any questions or queries you may have.

Kind regards,

B Paddon and G Histon
