Technology Showcase

On Thursday, the 14th, our school radiated with innovation and creativity as we proudly hosted the Technology Showcase. The event served as a testament to the incredible talent and hard work of our students across various disciplines, showcasing their remarkable projects from Design and Technology, Textiles, and Food and Nutrition.

From the inspired minds of our Year 7 to Year 10 students emerged an array of breathtaking work that truly stole the spotlight. Each display boasted a unique blend of skill, dedication, and imagination that left us in awe.

What made this showcase truly special was the opportunity to engage with the brilliant minds behind these projects. Students took the lead at every display point, enthusiastically sharing their journey,

experiences, and the intricate details of their creations with our esteemed visitors. It was an absolute pleasure witnessing their passion and confidence in discussing their work.
