

1st July 2025

Dear Parents and Carers,

I hope this letter finds you well. I wanted to take a moment to express our heartfelt gratitude for the trust you have shown in us over the past five years while we have had the pleasure of caring for and educating your children here at Passmores Academy.

As we reflect on their journeys, it's clear just how much they have grown, not only academically but also personally. We have thoroughly enjoyed the time we have spent together and can't quite believe how quickly the five years have flown by. Despite the challenges of a disrupted transition to secondary school and the impact to year 7, they all have demonstrated resilience and adaptability in their own ways, showing that success can be achieved even in the most difficult of circumstances.

It was wonderful to see so many friends and family share in the elation and excitement of those who were at the Prom last night. It was a beautiful celebration and one of our best yet.

And so, results day will be the next time that we will come together as a collective. Whatever the outcome, I want you to know how proud we are of each and every one of our young people; leaving here as kind, respectful and considerate individuals mean just as much as the numbers they achieve in their exams. While we will miss their daily presence around the building, we are excited to see what the future holds for them.

Thank you once again for your unwavering support and trust in our school. Your feedback means a lot and so one last request from us, could you please spare five minutes to click on the link below and complete the survey:
