

2nd September 2026

Dear Parent/Carer,

Year 11 Parent Information and Meet the Teachers Evening
'Year of No Regrets'
Thursday 10th September 5.00pm

I hope you have all had a good summer. We are looking forward to welcoming everyone back tomorrow, especially the year 11s as they head into this, their final year with us. Where has the time gone! It goes without saying that we want to make the year as successful as possible for them all, and our partnership working with you is key to this. We would like to invite you, and your young person, to come and join us so that we can give you some key information about the coming year, and in addition a chance to meet tutors and teachers in person.

5.00pm – Presentation in the Alan Simpson Memorial Hall

We will be covering the following important points –

- Key dates overview
- Exams - what we have learnt from the summer results and what this means for this year
- Interventions and support
- Post 16 applications
- Passport to Prom

5.30pm – Sports Hall to 'Meet the Teachers'

This will be an informal catch up, giving you the chance to meet tutors and teachers in person.

Friends of Passmores will be at this event where you will be able to purchase drinks and snacks.

Car parking may be a challenge, so if you are able to walk or car share that would be helpful. We look forward to seeing you all next week.

Yours faithfully

Natalie Christie
Principal
