Summer Term 2024

Week Ending Friday 12 July 2024

Issue 37

Dear Parents/ Carers,

Here we are, our penultimate newsletter of the year. As always, this week has given us the chance to showcase the unbelievable talent of our young people, staff and ex-students, as The Addams Family hit the stage. Performing to a packed auditorium over three nights, the spectators were truly entertained, some even coming back for a second night! For the hours and hours of rehearsal and dedication shown by all involved, the show did not disappoint. It was truly spectacular, the musical so perfectly chosen for all to shine and excel, especially the leads.

Thank you to everyone who has been involved. At the end of a packed and gruelling term, spirits have been lifted. People will be talking about this show for a long time. Check out the article written in Your Harlow on Tuesday -

<https://www.yourharlow.com/2024/07/10/review-passmores-academys-the-addams-family-a-macabre-magnificent-triumph/>

Talking of spirits being lifted, let's hope this continues into next week, as I am sure many of us will be cheering on the England football team on Sunday. Is football coming home? Fingers crossed.

### Thought for the Week

This week, our students discovered the new school values as a result of their votes and the wider school community's input. The new values are **compassion and kindness; respect; fairness and belonging**. These values will guide us in our journey next year, fostering a positive and inclusive school environment.

### In the News

Building on last week's focus on democracy, this week, students explored another British value: **individual liberty**. They discussed what individual liberty means for them personally and for society as a whole, understanding its importance in a democratic society.

### Other News

- **Newsround Discussions:** Students engaged in discussions on current events, staying informed about the world around them.
- **MAD Time:** Students put on their thinking hats for some creative and problem-solving activities.
- **Summer Safety Assembly:** Year 7 and 8 students attended an assembly on Friday focusing on summer safety tips.
- **Mental Health Ambassadors:** Our ambassadors continued to provide support through their weekly drop-in clinics.
- **Year 10 Transition:** We welcomed Year 10 students to their new Year 11 tutor groups, preparing them for the final stage of their secondary education journey.
- **School Production:** We were treated to an amazing performance of the school production, "The Addams Family." Congratulations to everyone involved for a 5-star performance!

### Looking Ahead to Next Week

- **Thought for the Week:** Students will learn about another British value: **respect and tolerance**. They will explore how these values impact their interactions within the school and the wider community.
- **In the News:** With the summer holidays approaching, students will discuss how to stay safe on public transport.
- **Transition Programme:** We will have a busy schedule welcoming our incoming Year 7 cohort. Year 6 students will join us for the week and will be treated to an evening of rounders, BBQ, and disco on Wednesday.
- **Rewards and Celebrations:** Next week will also focus on recognising and rewarding student achievements with Golden Ticket Week, the Principal's Challenge trip, and end-of-year House assemblies.

As we head into the final full week of the 2023-24 school year, it's going to be another busy and exciting week. Thank you for your continued effort and enthusiasm! Let's make the most of our remaining time together this year.

## SPORT / PE UPDATES

### Fixtures for next week:

Rounders year 9 and 10 at Burnt Mill Academy

Friendly hardball competition – South Woodford cricket club

### Ex-student making us proud!

Congratulations to our very own Ronnie Edwards, who has recently been signed to play for Premier League Southampton. Good luck from all at Passmores!

## Saints sign defender Edwards from Peterborough

## SUBJECT INFORMATION/UPDATES

### Computer Science

Over the last few years, the Computer Science department at Passmores Academy has been working tirelessly to design and implement a strong and strategic curriculum for all our learners. This work has focused on teaching our young people the key fundamental principles of computer science in an engaging way that enables them to flourish throughout Key Stage 3 and Key Stage 4. Our young people have the opportunity to enjoy lessons, taught by subject experts, that provide them with the skills and knowledge they need to thrive in a digital world.

In addition, our curriculum is enhanced with a wide variety of enrichment activities and opportunities for our young people. Most recently the department has added E-Sports to the list of enrichment activities on offer and have already been successful in participating in two national competitions.

All this hard work has been officially recognised by the National Centre for Computing Education who have awarded the department with the Computing Quality Mark. The department are incredibly proud of this achievement and the certificate will soon be on display in the reception area.

### Creative Arts

The creative arts subjects are inviting you to join us next week, see the flyer below.

## WHAT IS ESSEX ACTIVATE?

Essex ActivAte is the name for the government funded holiday programmes run by Active Essex. During school half term and holidays, we work with locally trusted organisations to deliver free, holiday clubs to support the wellbeing of children who are eligible for benefit based free school meals or from 'low-income' working families.

## HOW CAN ESSEX ACTIVATE SUPPORT ME?

Not only do we offer fun-filled activity clubs, but Essex ActivAte want to further support families and young people by offering free resources and guidance to help make term times a little easier. Our family support hub offers activities, videos, tips and inspiration for affordable family days out!

## HOW DO I BOOK ONTO AN ESSEX ACTIVATE CLUB?

A few weeks ahead of each half term and holiday programme, we will post on our social media pages when clubs are available to view and book.

### HOLIDAY PROGRAMMES (HAF)

- If your child is eligible for benefit based free school meals, you will be emailed or text a Holiday Activities voucher code from your school to book onto a local club
- If you are still waiting for your voucher code, please contact your school
- Limited spaces are available for young people who are not eligible for benefits based free school meals, but are from 'low-income' working families, may be vulnerable and/or experience inactivity and social isolation
- To book on, you will not receive a Holiday Activities voucher code, and you will need to contact the club directly from the Essex ActivAte website

### HALF TERM BREAKS

- To book onto a half term club, you will not receive a Holiday Activities voucher
- You will need to book on through the Essex ActivAte website
- Simply select your area, find what clubs are available and book your child on through the link provided - depending on the club, you may need to book through our website, or contact them directly

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](https://nationalcollege.com).

# What Parents & Educators Need to Know about SHARING INTIMATE IMAGES

An intimate image depicts sensitive – often sexual – content, and sharing these photos or videos is commonly known as ‘sexting’. As of January 2024, it is a criminal offence to distribute any intimate images shared by a third party without consent, with offenders facing prison time. Naturally, misuse of intimate images can lead to emotional distress and reputational damage.

## WHAT ARE THE RISKS?

### EMOTIONAL DISTRESS

Victims of the misuse of intimate images and so-called ‘sexortion’ (blackmail involving sexual material) often experience significant emotional distress. The threat of having these photos or videos shared publicly can lead to anxiety, depression and a sense of helplessness. This emotional turmoil can affect daily life, academic performance and personal relationships.

### DAMAGE TO REPUTATION

Intimate images being made public can severely damage a person's reputation. This can lead to bullying, social ostracisation and long-term impacts on personal and professional relationships. If a blackmailer gets their hands on any intimate images, the fear of reputational damage can also make a victim far more vulnerable to ongoing extortion.

### PRIVACY VIOLATIONS

Once intimate images are shared online, it can be difficult to quickly control where they wind up and who else sees them. This loss of privacy can have lifelong repercussions, including identity theft and persistent online harassment.

### FINANCIAL EXPLOITATION

Perpetrators of sextortion may demand money from victims under the threat of releasing their intimate images publicly. This can lead to severe financial problems for victims and their families, compounding their emotional and psychological distress.

### LEGAL CONSEQUENCES

If a child or young person creates and/or sends intimate images to others – especially adults – this is considered a form of child abuse under UK law. Having to disclose this type of abuse, although necessary, can be harrowing, leading to further trauma. It's crucial for parents, carers and educators to understand the legal processes and be able to provide proper guidance and support.

### TRUST ISSUES

Sharing of intimate images without consent can lead to long-term trust issues. Victims may find it difficult to trust others, impacting future relationships and their ability to form healthy, supportive connections. This erosion of trust can have profound effects on mental health and social wellbeing.

## Advice for Parents & Educators

### FOSTER A CULTURE OF OPEN COMMUNICATION

It's vital to encourage open communication with children and young people about the dangers of sharing intimate images. Create a safe space where they feel comfortable discussing their online activities and any concerns they may have without fear of judgement. Be sure to respond to any worrying information with an attitude of support and learning.

### PROMOTE DIGITAL LITERACY

Digital literacy is incredibly important for children and young people to understand how to protect their privacy online. Teach them about secure online practices, such as using strong passwords, enabling privacy settings and recognising suspicious behaviour. This empowers them to be proactive in terms of their own safety.

### EDUCATE CHILDREN ON THE RISKS

Children and young people often want to understand why certain rules are in place. Educate them about the risks of sharing intimate images online, explaining the reasons for monitoring and other security measures. Highlight the potential for misuse, including sextortion, and the long-term consequences that can arise from these actions.

### PROVIDE SUPPORT RESOURCES

Ensure that children and young people know where to seek help if they become victims of sextortion or any other online abuse. Help them identify in advance which adults they can turn to and provide them with information about trusted resources like helplines (e.g. Childline) that they can access if they need help.
