Dear Parent/Carer

Matilda – T-SHIRTS

As we ask students to change out of their school uniform to attend rehearsals, and to wear something comfortable, students in the past have found it beneficial to have a shirt to rehearse in. This then becomes something they can keep to remind them of the production.

We are therefore giving every student in the production (including crew and backstage) the opportunity to purchase a “Matilda” shirt. This is not a compulsory purchase.

The shirt will be **Light Blue, Dark Blue or Black** with the school emblem and “Matilda 2026” on the front left pocket. Each student can then decide if they would like their name or character name on the back of the shirt. This is optional. Please see a visual below.

If you are interested in purchasing a production shirt, please complete the form via the link below and by **Friday 29th May 2026**, when the order will be sent off. You will be able to pay via Arbor. T-shirts will cost **£13 with a name on the back** or **£10 without the name**. Please note payment is required for the top to be ordered.

Yours faithfully

The Production Team
