

20th March 2026

Dear Parent/Carer,

On Thursday 9th April 2026, Computer Science will be hosting a revision day from 9am until 3pm at Passmores. Lunch will be provided as it is a long day. The day will be a bespoke opportunity to target specific gaps after the most recent round of mock exams with the focus of improving outcomes for all.

As such, please can I ask that you email me by Wednesday 25th March 2026 confirming your young person's attendance and any dietary requirements, so I understand numbers for lunch.

Kind regards,

Mr M Moloney
Head of Computer Science
Head of Creative and Technical Enterprise
m.moloney@passmoresacademy.com
