Dear Parent/Carer,

**Re: Computing Live – Information Evening**

I hope this letter finds you well.

I am writing to invite you to an information evening on **Friday 12th December 2025 at 6pm**. My hope is that the evening will take about an hour.

I ask that you bring 2 things to the evening:

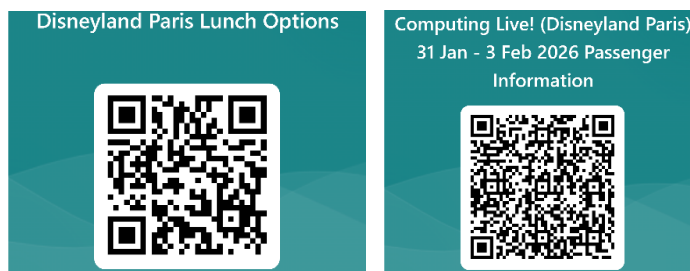

- Your young person's passport (these will be stored in a safe).
- A GHIC card for your young person.

If you are planning on going away over Christmas and need to retain the passport over the Christmas break then please do; however, I ask that in this case, it is brought into school and given to me in the first week back in January 2026.

If you do not have a GHIC card, I would advise applying for one online at the web address here:

<https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/> These are free of charge and last for 5 years.

Finally, we have some options for your young people to choose for their lunch in Disneyland on the two days we are in the park for. The options and your selections can be made on the form on the QR code below. Please also complete the passenger information form on the second QR code below. Please can I ask that both forms are completed by **Monday 20th October 2025** as the tour company needs this on their system shortly after this date.

Thank you,

*M. Moloney*
