Dear Parent/Carer,

Re: Year 7 topic on Reproduction

I am writing to inform you that your child after Easter will be starting a topic in science on human reproduction.

The topic will cover all biological details of reproduction, puberty, sexually transmitted diseases and contraception.

If you have any questions or queries about this, please do not hesitate to contact me at:

s.wright@passmoresacademy.com

Yours faithfully,

Mrs S Wright
KS3 Science Co-ordinator
