

24th February 2026

Dear Parent/Carer,

We are writing to inform you of an upcoming examination date for your son/daughter as part of their BTEC Tech Award in Sport course.

Part of the Component 1 coursework requires students to plan and then subsequently deliver an appropriate warm up. The delivery of this warm-up may be filmed as evidence of assessment. This evidence could then be used for sampling when requested by Pearson's as part of the moderation process.

Students will therefore be invited to take part in a BTEC Tech Award in Sport practical assessment day on **Thursday March 19th 2026**.

Students can arrive to school in their PE kit and will not be attending their timetabled lessons for this day. They will be required to remain with PE during all 5 periods of the day but will attend morning registration, Pastoral Curriculum Time, break and lunch as usual. The day will also be planned to finish at 3:15pm so will not impact any time after school.

If you anticipate or are aware of any reasons your son/daughter being absent on this day, could you please contact their relevant BTEC Tech Award in Sport teacher to arrange alternative assessment opportunities:

Mr J King – j.king@passmoresacademy.com

Mr A Martin – a.martin@passmoresacademy.com

Yours sincerely,

Jamie King
Head of Boys PE/BTEC Sport Coordinator
