

18th December 2025

Dear Parent/Carer,

I am writing to update you following the review of both the November mock and your young person's coursework completed so far. After carefully considering their progress, we feel that sitting the GCSE exam in January would not be in their best interest at this stage.

Instead, we would like to use the January exam as a formal mock. This will allow them to experience the exam under full conditions without the pressure of it being their final attempt.

From January to May, we will continue with structured revision and support to ensure they feel confident and fully prepared for the final GCSE exam in the summer alongside their other subjects.

If you have any questions or would like to discuss the next steps in more detail, please don't hesitate to get in touch. We want every student to feel supported and to have the best possible opportunity to succeed

Kind Regards,

Mr M Moloney
