

2nd September 2026

Dear Parents/ Carers,

Year 10 Parent Information and Meet the Teachers Evening

'Year to Lead'

Thursday 10th September 5:30pm

I hope you have all had a lovely summer. We are looking forward to welcoming everyone back tomorrow, especially the year 10s as they head into this exciting next chapter of studying for their GCSEs. It goes without saying that we want to make this year, and indeed next, as successful as possible for them all, and our partnership working with you is key to this. We would like to invite you, and your young person, to come and join us so that we can give you some key information about the coming year, and in addition a chance for you to meet their new teachers in person. This will give you an opportunity to put a face to a name and make sure that you know what is expected for the start of the GCSE courses.

5.30pm – Presentation in the Alan Simpson Memorial Hall

We will be covering the following vitally important points –

- Exams - what we have learnt from the summer results
- Starting GCSEs and what to expect
- Work Experience – what this means for your young person
- Key dates overview
- Our behaviour expectations - rewards and sanctions

6.15pm – Sports Hall to 'Meet the Teachers'

This will be an informal catch up, giving you the chance to meet teachers in person.

Friends of Passmores will be at this event where you will be able to purchase drinks and snacks.

We have a Year 11 Parent Information session beforehand, car parking may be a challenge. If you are able to walk or car share that would be helpful.

We look forward to seeing you all on the 10th of September.

Yours faithfully

Natalie Christie

Principal
