Dear Parents and Carers,

Re: English Period 6 Sessions on Tuesdays

Having analysed your child's English mock results and in class assessments, we believe that with some extra support, your child can make improvements to their English Language and English Literature grades in the February mock examination window.

We know that **any** improvement in grades builds confidence and fosters greater determination to do even better in the final Summer exam series. We want to help your child make this a reality; we would like invite your child to the English Period 6 sessions that are being offered every Tuesday after school.

What do we need from your child?

A **weekly commitment** to attend the after school P6 session every Tuesday for the remainder of this half term.

The sessions your child is expected to attend:

- Tuesday 20th January 2026
- Tuesday 27 January 2026
- 3rd February 2026
- 10th February 2026

What can your child expect from us in English?

Committed staff, purposeful sessions and a few treats along the way!

We look forward to seeing you every week and seeing the positive impact that this is going to have on your English grades.

Best wishes

Natalie Christie
Principal

Naomi van der Lith
