

3<sup>rd</sup> May 2022

Dear Parent/Carer,

I am delighted that your child has chosen to study GCSE Geography; as part of this year's course, we will be looking at coastlines and coastal management and in order to enhance the learning of students, we would like to give them a practical example of a coastline to study.

We are offering the students an opportunity to attend a field visit to Walton-on-the-Naze on the Essex coast on Wednesday 8<sup>th</sup> June 2022. The trip aims at broadening the geographical skills and knowledge of all students, providing them with a totally different environment and set of circumstances.

They will need to bring a packed lunch and water for the day, as opportunities to buy snacks may be limited. (There is a small shop, but I cannot guarantee that it will be open). The trip will go ahead regardless of the weather, so students should dress appropriately for rain or sunshine. In addition, there will be walking and practical activities, so comfortable clothing and sensible shoes or trainers are required. Uniform is not recommended.

Students will leave school at 9:00am and return by 5:00pm, traffic permitting. The cost of this school trip is £15.00. This covers the cost of the coach and the production of the resources necessary for the trip to take place. Please return the consent form (If you are paying via ParentPay, consent will be included, if paying via cash please ask your child to collect a consent form from Student Services) and payment to student services by Friday 20<sup>th</sup> May.

Please do not hesitate to contact me if you have any queries or worries, including those relating to cost, or if you would like further information on [v.neagus@passmoresacademy.com](mailto:v.neagus@passmoresacademy.com)

Yours faithfully

**Valerie Neagus**  
**Head of Geography**
