Dear Parent/Carer,

I am writing to inform you of exciting news that the students who participated in the CSES TEXPO Schools Competition, held on Friday 17th June, have been selected for an award. We are cordially invited to join the other schools for the **CSES Awards Evening 2022** on the evening of **Tuesday 5th July 2022**.

The timings for the evening are as follows:

- 18:30 – Doors open for a private viewing of the *Chelmsford Innovation: Marconi and Beyond* exhibition
- 19:00 – Drinks and light refreshments served
- 19:20 – Start of prizegiving ceremony
- 20:30 – Conclusion of ceremony, photography
- 21:00 – Close

The event will take place in the **Marconi Building at Anglia Ruskin University, Chelmsford**, where free parking will be available in the adjacent Mildmay Car Park (accessed via the north entrance to the campus). You will need to arrange transport for yourself and your young person for the evening; up to two guests are allowed. Please note that the dress code is school uniform for students and smart for guests.

This is a wonderful opportunity to celebrate the work of the FAFT Team over that last academic year and enjoy the success of being selected for a well-respected Science and Engineering award. Please complete the permission slip below and return to indicate whether your young person and how many guest will be attending.

Yours faithfully,
