

27th June 2022

Dear Parent/Carer,

As part of our Cultural Appreciation Week, we are holding a non-uniform day on Wednesday 29th June 2022 for any student who wishes to wear clothing that in some way represents their cultural or ethnic identity. We see this as an opportunity to celebrate the diversity of our community by allowing students to wear clothes that are important to them and their background.

However, as this is a different non-uniform day to the ones we normally have for charity, I would ask that you do not send your son/daughter/young person into school wearing clothing which does not represent their cultural or ethnic identity, and that instead they wear school uniform as normal (unless they have PE).

Our intention for the day will be one of celebrating the diverse nature of our school and community which fits with our overall theme of 'cooperation not conflict', and gives students of all backgrounds the opportunity to wear traditional dress, or clothing that has a cultural significance to them.

If your son/daughter/young person is intending to participate in the day and you are unsure as to whether their intended clothing fits with the theme of the day, then please feel free to contact me and I am happy to give further help and advice.

Yours faithfully

Mr L Pickering
Associate Senior Leader with responsibility for SMSC
