

15<sup>th</sup> June 2022

Dear Parent(s)/Carer(s),

**Re: Extreme temperature Friday 17<sup>th</sup> June**

To support our students with the hotter temperature, they can either come into school in their school PE kit or wear their uniform and remove the tie and blazer.

The expectations are the same with regards to being prepared for the school day with bags, lanyards and equipment. Please ensure they have a re-fillable water bottle with them and anything else that they may individually need such as sun cream, sunglasses, hats etc.

Whilst we appreciate that keeping cool is important at this time, this does not include having water fights. There is ample shade / indoor seating if needed.

Yours faithfully
