Dear Parent/Carer,

Re: Passport to Prom

An up-to-date list of students who have successfully completed their passport to prom is displayed in school and we have spoken with students throughout this term. There are still a few students who still need to attend a set number of revision sessions in order to complete their passport as you are aware that the only way to get the Prom ticket is a completed passport!

The science department are delivering some revision sessions over the next few days, so I would encourage your young person to attend if they need this part signing off.

Sunday: 9:30am-11:30am - L006

Monday: 7:30am-8:30am - L006

Wednesday: P6 multiple teachers

Unfortunately, there are a few students who have not attempted to complete their passport to prom despite regular conversations with tutors. This means that those students are not permitted to attend prom.

Yours faithfully

Ms R Conway
Assistant Principal
