Dear Parent/Carer,

As you know, Year 7 students have been working hard in their REAL Projects lessons to produce a book about their local, everyday hero. Each student has written an article about their hero and produced beautiful portraits in the pop art style. We are very excited to announce that the books are now finished and ready to go to the publishers. We are extremely proud of the professional standard of work and are eagerly anticipating receiving the finished product!

The books are available for order at the very reasonable price of £8.00 and we hope that many of you will want to purchase copies to keep and/or give as very special, personalised presents to friends and family. Due to budget constraints, we will only be able to order the exact number of books that parents or carers have pre-ordered and paid for. We will need to send this off to the publishers by Monday 20th June 2022. Any orders received after this date cannot be guaranteed delivery before the long summer break. We enclose an order slip for you to return to Student Services with payment before this date. You can also pay online via ParentPay but remember that **you will also need to return the attached slip** for the book to be ordered. This is vital because we need to know which book to order as it depends on which group and teacher your young person has for project learning.

If you have any queries, please do not hesitate to contact us on d.moore@passmoresacademy.com or n.gladwin@passmoresacademy.com

Yours faithfully,

Dawn Moore and Neil Gladwin
Heads of REAL Projects
