

23rd June 2022

E: passmores@passmoresacademy.com

W: www.passmoresacademy.com

Dear Parent/Carer,

The annual School Sports day will take place on Friday 24th June. This year it will involve Years 7, 8, 9 and 10.

We would request parents and students to take note of the following details:

- Students must arrive in House colours or Passmores PE kit. This includes correct footwear for the day (no Vans/Converse or flip flops/sliders).
- Students must have all books and equipment for periods 1 – 5 in case of postponement due to poor weather.
- Break and lunch will be slightly altered in order to plan the day more effectively.
- If it is warm students should have:
 - SUN PROTECTION
 - CAPS
 - STILL DRINKS
- Students will need preventative medicine if they suffer from asthma or hay fever. There will be first aid on hand with an adult outside for the duration of the day whilst the events are going on.
- We have changed to an earlier start due to the weather forecast.

Any questions please feel to contact me on a.martin@passmoresacademy.com

We hope everyone has a successful and enjoyable day.

Yours faithfully

MR A MARTIN
Head of PE
