

7th June 2022

Dear Parent/Carer

I am writing to inform you of an exciting opportunity for your child to attend **Anglia Ruskin University** (Chelmsford) on **Friday 17th June** to participate in the **TEXPO Schools' Science and Engineering Competition**. Students will be showcasing their portable particulate-monitoring device to compete with schools across Essex for prestigious awards.

Students will leave Passmores at 8.45am and return to school approximately 3.15pm. There will be lunch provided for all students, however, students should ensure they have stationery to participate in any activities. Normal uniform will be required as students are representing the school. There will be no cost for the visit to us, thanks to the charity CSES (<https://cses.org.uk>).

This is the final opportunity for the students to contribute to their bid to achieve a Silver **CREST Award** (<https://www.crestawards.org/crest-silver>) which requires 30+ hours of evidenced project work.

Please complete the attached consent form and return it to Student Services by Monday 13th June 2022.

Yours faithfully

Ms A Knight
Teacher of Science
