

4th July 2022

Dear Parent/Carer,

Re: Year 10 Citizenship Workshop 13th July 2022 – From Crime Scene to Courtroom

Your child has been successful in their application to participate in the above workshop and so I am writing with further details. This interactive day starts off with a 999 call directly from the scene of an alleged murder, and students are then given information, evidence, intelligence and forensic science results to assist them in making a series of decisions and actions that will take them through an intensive investigation.

The day will be led by an experienced team of investigators, all with real life experience of murder investigation and law, who will guide students through a series of practical exercises leading to a mock Crown Court trial. Within the trial, each student will have a role to play, and the day will be completed with the students acting as the jury and deciding whether to find the suspect guilty or not guilty.

We are very fortunate that Make Happen have covered the cost of the workshop and that the day will follow the usual timings of the school day, starting promptly at 8.45am and finishing at 3.15pm. All students who will need for the workshop will be a notebook and pen. If you have any further questions about the event, then please contact me at school before the day: c.ledain@passmoresacademy.com

Yours faithfully

Claire LeDain
Head of Citizenship
