

15<sup>th</sup> July 2022

Dear Parent/Carer,

The Modern Foreign Languages department here at Passmores is committed to allowing students to complete a GCSE qualification in their home language, and your child has been identified as an eligible candidate. Your child will benefit professionally from this additional qualification as well as maintaining links with their home language. Having this additional qualification may also make a difference for your child in securing their post 16 destination to an apprenticeship, college or Sixth Form.

The school will organise all aspects of the GCSE and pay the entry fee. Your child will receive additional information about the GCSE and its requirements in the next academic year (please see the full list of languages and exam boards below), and it would be appreciated if you could offer support in preparing your child if needed.

If you have any questions or are interested in this opportunity, please send me an email to the address below by Wednesday 21<sup>st</sup> September. Thank you for your support.

Yours faithfully

**Andy Farmery**  
**Head of Spanish**
