

21<sup>st</sup> September 2022

Dear Parent/Carer,

On the 21<sup>st</sup> February 2023 we have booked to take a group of Year 11 students to a History GCSE workshop at Southmill Centre in Bishop's Stortford. This is an invaluable revision resource, and one we have used in the past to very good effect. The cost of the trip is £25 and this includes travel, entry to the event, an exam booklet and insurance.

We will be leaving the school building at approx. 12:30pm for a 1:30pm start and the performance finishes at 4:00pm meaning we should be back at school for 4:30pm. Students will have to wear their uniform to the workshop, and they should make sure they have equipment to make notes with.

The workshop is led by an exam expert for GCSE history, during which they explain to students what they have to do to achieve the higher grades in their history exam. The workshop also includes an interactive play linked specifically to the Germany course they have been studying at GCSE in Year 11.

Should your young person be interested in attending this event can you please return the consent form (If you are paying via ParentPay, consent will be included, if paying via cash please ask your child to collect a consent form from Student Services) by Monday 3<sup>rd</sup> October 2022 as we need to confirm places with the provider by that date.

Yours faithfully,

**Mr L Pickering**  
**Head of History**
