

15th September 2022

Dear Parent/Carer,

On Friday 23rd September 2022, staff and students at Passmores will be supporting the Jeans for Genes Day campaign. In these difficult times we have decided to limit the number of charity non-uniform days that we will run this year, so this will be the first of not many.

Half a million children in the UK are affected by a life-altering genetic disorder. Jeans for Genes Day raises money to transform their lives and we hope that by helping to raise money for this very worthy cause, our young people will have a better understanding of how fortunate they themselves are.

To help this very worthwhile campaign, Passmores is allowing everyone to wear their own clothes for a suggested £1 donation. The theme of the day is to wear jeans so we hope that all staff and students will make the effort to wear something denim.

We hope that you are happy for your child to participate in the day, and we would be grateful if you could ensure that your child brings a donation to school on Friday 23rd September.

We would ask you to remind students that, while this is a non-uniform day, Passmores remains a workplace and, as such, clothing and footwear should be appropriate for this environment (for example, midriffs should be covered, there should be no facial piercings and flip flops/sliders are not permitted).

Yours faithfully,

Miss Danaher
Deputy Head of Griffin House
