

10th October 2022

Dear Parent/Carer,

Re: Art & Photography Booster Sessions

We are writing to you to let you know that we will be offering several different opportunities for students to complete coursework outside of lesson.

Firstly, In the Art Department both Art & Photography students can use the department on a Monday & Tuesday after school every week. There will also be after school booster sessions run by Miss Richards. Students are encouraged to check dates regularly.

We will also be offering monthly Saturday Coursework days to allow all students to come and use the resources in school to further improve their coursework.

These sessions will be;

- Saturday 15th October from 9am till 2pm
- Saturday 19th November from 10am till 3pm

If your son/daughter wishes to improve their coursework it is imperative that they are completing work outside of the given lesson time, so these sessions are an excellent opportunity to spend uninterrupted time catching up on this work. Students who wish to come along need to sign up to the sessions with Miss Hutchinson. The sessions will take place in the Art Department.

Please don't hesitate to contact us if you have any questions regarding these catch-up sessions.

Yours faithfully,

Mrs Friedner, Miss Richards & Miss Hutchinson

Art & Photography Department
