Dear Parents / Carers,

During our food lessons, we pride ourselves on the quality and range of recipes that our students can access. This is when we see the very best of everyone.

We are, however, very mindful that we don't want the requirements to purchase ingredients to be putting any additional stress on families at a time when you are all facing increases to the cost of living. We have seen a slight increase in the number of young people forgetting ingredients or being ill on days when they need to cook, and we do not want any financial implications being the reason for these. It is important to us that no young person misses out because of their own personal circumstances.

Hence, we are writing to you to let you know that we are here to help. All we ask is that you email to let us know at least the day before the cooking lesson. This is something that we have always done and will continue to do so, especially now.

If you do need some support, then please email your food teacher:

Miss Lamb - [n.lamb@passmoresacademy.com](mailto:n.lamb@passmoresacademy.com)

Ms Evans - [g.evans@passmoresacademy.com](mailto:g.evans@passmoresacademy.com)

Mrs Howard - [j.howard@passmoresacademy.com](mailto:j.howard@passmoresacademy.com)

Please email as soon as possible preferably the day after they have been set on SMHW to allow time for us to purchase them.

Yours faithfully
