

13th October 2022

Dear Parent/Carer,

On Wednesday 16th November 2022 we will be holding our annual Disco. Students in all houses in Years 7, 8 and 9 are invited to come and dance the night away from 6:00–8.00pm.

We will have dance competitions throughout the night, where prizes and treats can be won. In addition, there will be a tuck shop if students wish to bring in some money. Can we request no notes just loose change please?

Should your young person want to attend this event, please pay the admission fee of £3 via ParentPay this will also include your consent to attend the Disco. If paying via cash, please have your young person collect a consent slip from Student Services and return this completed before the event.

Please ensure that you make suitable arrangements for your child to be collected after the event.

If you have any questions, please contact your child's Head of House at school or via email.

Yours faithfully

Carolyn Richards
Head of Unicorn House
