

12th October 2022

Dear Parents/Carers,

During the summer term your young person had the opportunity to take part in a series of workshops with Samuel Padfield, Harlow Sculpture Towns Artist in residence.

The project planned by Samuel allowed students to explore photography in a unique and creative way. As a group they created a sculpture that is being displayed in the window display of the Civic Centre until 23rd October.

There is a Private View of the exhibition, including Samuel's work 'DRIVE TIME' which is being displayed in the Harvey Centre, a number of our students have taken part in recording parts of a radio show that is being played alongside the exhibited artwork. This is taking place this Saturday 15th October. It will start at the Harvey Centre at 3pm and walk towards the Gibberd Gallery for 4pm. We would love to see you there to celebrate the hard work that the students have dedicated to complete this project. If you are unable to make it this Saturday, the exhibition will be displayed until 23rd October 2022.

Yours faithfully,

Abbie Hutchinson
Art & Photography Teacher
