Dear Parents / Carers,

Re: Change to the Detention System

Just to let you know that we are making a slight change to our behaviour detention system. Two new layers are being added after half term when students fail to attend a centralised detention - C60s

Miss two = L60 - Leadership detention for 60 minutes every Thursday

Miss three = L90 – Leadership detention for 90 minutes every Friday

These detentions will override any others that may be set for that day. If a student fails to attend an L90, parents will be invited in for a meeting.

Students have been informed of this change this week.
