

7<sup>th</sup> November 2023

Dear Parent/Carer,

**Re: Little Arts Workshop**

I am writing to inform you about a local trip that will be taking place during lesson time on Friday 10<sup>th</sup> November. Students from 11X/Ar1 will be taken to the Little Arts Workshop in Bishop Stortford to complete some Pottery work that was started last year. This work will then become part of their coursework as part of the Under the Sea project.

We will be leaving school during period 1 and returning during lunch time. Students will be travelling to and from Bishop Stortford by Minibus.

There is no cost for this trip, students will need to bring a packed lunch, water bottle and they will be permitted to use their mobile phones as a camera to document the painting/glazing process.

Please return the consent form below to Miss Hutchinson no later than Thursday 9<sup>th</sup> November. If you have any questions, please contact me directly at [a.hutchinson@passmoresacademy.com](mailto:a.hutchinson@passmoresacademy.com).

Thank you,

Miss Hutchinson  
Art Teacher
