Dear Parent/Carer,

Re: Barcelona Parent Information Evening

The trip to Barcelona is fast approaching. We hope that your young person is as excited as we are! We would like to invite you to a Parent Information Evening on Thursday, 1st February, from 6pm until 7pm. This will be a great chance to see the official itinerary of the trip (including times and details of flights), to find out which staff and students will be going on the trip and to ask any questions or queries you may have. If you are unable to make this evening for any reason, we will send out the presentation of the evening, and we will be sending out an FAQ.

In the mean time, we would ask you to apply for a GHIC which would entitle your young person to free medical care whilst we are in Barcelona.

Kind regards,

Andy Farmery
