Dear Parent/Carer

Re: France/Belgium payment due

The next payment of £147.50 for the year 8 History and Computer Science trip to France and Belgium is now due. Could you please arrange for this amount to be paid as soon as possible via parentpay as our second instalment to the travel company is now overdue.

If there is a problem making this payment, would you please contact me at school so we can discuss this further.

Regards

Mr L Pickering

Trip Leader
