Dear Parents and Carers,

Autism Hub at Potter Street Academy

I hope this letter finds you well. I am sure that you are aware of the very successful Autism Hub based at Passmores catering for the needs of our secondary students. I am writing to consult with you regarding opening a new Autism Hub at Potter Street Academy to cater for our primary aged students. Potter Street was asked by Essex County Council to host the new provision following a competitive process which included parents of children with autism in Harlow.

PCLC has a long track record of doing all it can to meet the needs of the community and we see this as another sign of our commitment. As parents/carers, you have the opportunity to make your views known as part of this process.

If you would like to respond to this consultation, please do so via passmores@passmoresacademy.com

Deadline for responses –1st March 2024.

Yours sincerely
