Dear parents/carers

I am sending this last email as there was some confusion about baggage allowance in my last email yesterday.

**Attached – details of the baggage allowance.** The one I sent yesterday was for hand luggage only so please see the attached for checked in baggage too.

**Please look for us in Zone B** when you drop them off on Sunday as there are 4 drop off zones A, B, C, D.

I will be briefing the students this morning and giving them all a laminated sheet with info and itinerary for you to keep at home.

Best wishes
