

18th April 2024

Dear Parent/Carer,

Re: Drama coursework

The final deadline for your child's Devising Drama coursework (for 30% of their GCSE drama grade) has a final due date of Friday 26th April 2024.

A number of support sessions for this unit have been running this year and will continue until Friday 26th. Your child is aware of this deadline and has been given ample opportunity to attend the aforementioned support sessions. If they still require support with this unit, it is vital they seek it before the deadline as we will be unable to accept any work completed after this date.

The Performance and Response Drama exam (final paper) is on 9th May, it is one of the first exams of the 2024 series. This completed the GCSE Drama course for 2024. Your child will still be attending drama lessons in school following this exam and is reminded to bring revision with them to support learning in other courses that won't have yet completed.

Thank you for your support in these final weeks as we all pull together to get them across the line.

Any queries or concerns regarding this information can be directed to your child's drama teacher:
