2025 Exams

What do we know from this year's results?

What we know about exams?

Comparative outcomes determine the number of students who get each grade

Grade 9s are hard to get – a grade 9 in the year 10 mock does not guarantee a grade 9 overall

Students must be continuously working and revising

Grade boundaries get moved – some by 15 to 20 marks

What is also important?

Attendance makes all
the difference!

Impact on
exam results
2025

Students below
90% attendance
average grade 2
in their exams

Attendance to lessons
matters too!

Rewards vs sanctions

Rewards	Sanctions
Passmores Points	Call home
Reward streaks	Parent meeting
Call home	Detentions
Stickers	SLT zone
Badges	TATE
Postcards	Suspension
Positive contact week	
Principal's Challenge Trip	
All Star Champion Tickets	
Chit Chat Choc	
Sweet drops	
Non-uniform days	

Students will
be rewarded
for every
positive
decision they
make.

Curriculum

At Passmores Academy our curriculum is central to our ethos. Our aim is to inspire confident learners by encouraging, nurturing and challenging them to maximise their potential and thrive in an ever-changing world. We aim to immerse them in opportunities where they can continually 'improve upon their best' and stretch their boundaries so that they can learn more than they ever thought possible. We want all young people to enjoy their learning and understand that education is for life and that we all continue to learn every day.
