

18th March 2020

Dear Parent(s)/Carers

As you will know we have been carefully monitoring all of the advice from government whilst checking that we can safely open the schools.

In light of all factors the Trust Board of Passmores Co-operative Learning Community has decided that Passmores, Potter Street, Purford Green and The Downs will all close at 3.30PM on Friday 20th March for two weeks. This will take all schools in to the two week Easter holidays.

Please be patient as a great deal more information will be sent to you by your individual schools over the next few days to support the continuation of learning for your child.

This has not been an easy decision but it is the correct course of action considering all factors. This is not because of any confirmed case across any of the schools at this point.

We have really appreciated your support during this incredibly difficult time and wish everyone the best of health - please look after each other.
