SUPPLEMENTARY HEALTH & SAFETY POLICY

**FOR
PASSMORES CO-OPERTIVE LEARNING COMMUNITY SCHOOLS FOR SUMMER
2020**

1. Introduction

PCLC recognises the requirements of the Health & Safety at Work Act 1974 (and associated Regulations) and has an existing Health, Safety and Wellbeing Policy which sets out how we do this. However, in recognition of the current circumstances due to COVID-19, this supplementary document sets out the arrangements in relation to the health and safety of our children, staff and the wider school community during this time. This document has been written in accordance with guidance from the DfE and the Local Authority in relation to managing risk associated with COVID-19.

In order to ensure PCLC schools continue to operate in a safe way, thorough risk assessments are undertaken and any necessary adjustments to ensure the safety of children, staff and the wider community are implemented.

2. Risk assessment

PCLC has continued to undertake risk assessments during the period of partial closure due to COVID-19. As part of the preparation for wider opening of our school (from June 2020) a detailed risk assessment has been undertaken and an action plan to make any necessary adjustments to mitigate risk has been produced. The risk assessment and accompanying action plan cover the following Health and Safety elements:

- Buildings & Facilities
- Emergency Evacuation
- Cleaning & Waste Disposal
- Classrooms
- Staffing
- Group Sizes
- Social Distancing
- Catering
- PPE
- Response to suspected / confirmed Covid-19 cases
- Curriculum / learning environment
- Communication
- Governance
- School events (including trips)

The risk assessment and action plan are dynamic and are regularly reviewed to ensure they meet current need. All appropriate documentation is shared with staff and any necessary training to support implementation of the plan is provided.
