

12th September 2022

Dear Parents/Carers,

**Year 7 Parent Information Evening –
'Year to Explore'
Wednesday 14th September 5.30pm**

It has been so lovely welcoming our new year 7s, they are settling well with lots of positive feedback from staff. To help make their transition as successful as possible, we are looking forward to seeing you all on Wednesday, so that we can give you lots of key information and an opportunity to ask any questions. We know that all the systems and structures can feel a little overwhelming, so this evening will definitely help to clarify what will be happening this year.

We will be covering the following important points –

- Key dates overview
- Digital platforms – what we use and how to access them
- Reading
- Attitude to Learning
- What to expect in lessons and the coaching programme
- Clubs and Activities / Leadership opportunities overview
- Other support available

If you have any specific questions that you don't think will be addressed during the evening, then please email datateam@passmoresacademy.com and we will do our best to either answer them on Wednesday or put them into a FAQ flyer.

The evening will be busy, so we ask that just one adult attend if possible. If you can walk or car share this will help with the parking.

Yours faithfully

Miss N Christie & Mr V Goddard
Co-Principals of Passmores Academy
