

12<sup>th</sup> September 2022

Dear Parents/ Carers,

**Year 9 Parent Information Evening  
'Year to Consider'  
Wednesday 14<sup>th</sup> September 6.45pm**

It has been so lovely welcoming back our year 9s, they have settled well to their new timetables with lots of positive feedback from staff. To help make this important year as successful as possible, we are looking forward to seeing you all on Wednesday, so that we can give you lots of key information and an opportunity to ask any questions.

We will be covering the following important points –

- Key dates overview
- Digital platforms
- Reading
- Year 9 Curriculum and Options
- Clubs and Activities / Leadership opportunities overview
- Other support available

If you have any specific questions that you don't think will be addressed during the evening, then please email [datateam@passmoresacademy.com](mailto:datateam@passmoresacademy.com) and we will do our best to either answer them on Wednesday or put them into a FAQ flyer.

The evening will be busy, so if you can walk or car share this will help with the parking. We have made the start slightly later to give time for the year 7 families to leave.

Yours faithfully

**Miss N Christie & Mr V Goddard**  
**Co-Principals of Passmores Academy**
