Dear Parent/Carer,

Re: Art, Photography & Graphics Booster Sessions & Deadlines

We are writing to you to let you know that we will be offering several different opportunities for students to complete coursework. In the Art Department students can use the department on a Monday & Friday after school every week. There will also be weekly after school booster sessions run by Miss Richards. Students are encouraged to check dates regularly.

We will also be offering two Saturday Coursework days to allow all students to come and use the resources in school to further improve their final coursework.

These sessions will be -

- Saturday 30th April from 10am till 3.30pm
- Saturday 14th May from 12pm till 4.00pm

If your son/daughter wishes to improve their mock grade it is imperative that they are completing work outside of the given lesson time, so these sessions are an excellent opportunity to spend uninterrupted time catching up on this work. Students who wish to come along need to sign up to the Saturday sessions with Miss Hutchinson. The Saturday sessions will take place in the Art Department.

The final deadline for all coursework is -

- Art - **Thursday 19th May**
- Photography - **Wednesday 18th May**
- Graphics - **Thursday 19th May**

Please don't hesitate to contact us if you have any questions regarding the final few weeks.

Yours faithfully,

Mrs Friedner, Miss Richards, Ms Begum & Miss Hutchinson
